

**CZ Engineering, Inc.**

*Craftsmanship and Innovation*

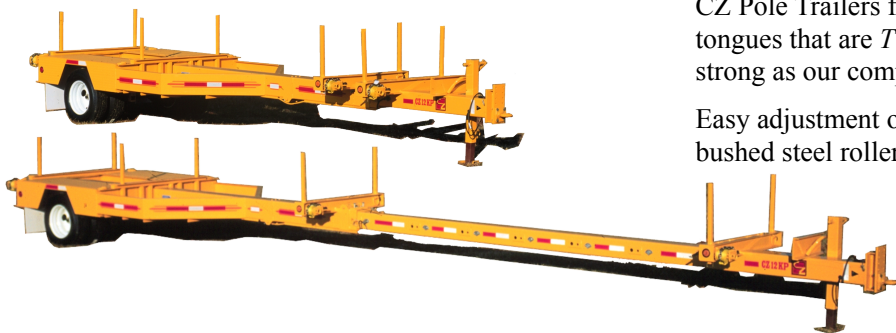

33863 Highway E  
Dixon, MO 65459

# ***Modular Reel Rack***

*From the builders of the World's Safest Pole Trailers.*

## **Special Features**

- Rugged, 3" x 6" x 1/4" box steel frame and uprights
- 2" schedule 80 pipe spindles (2.38" O.D.)
- Clamshell collars lock the spool in place but don't mar the spindle
- Large funnel shaped spindle catch for easy loading.
- Fits on most CZ single and tandem axle pole trailers.

CZ Pole Trailers feature tongues that are *TWICE* as strong as our competition!

Easy adjustment on bronze bushed steel rollers!

For the longest lasting, safest, and best investment in Pole Trailers, give us a call.
