

6 5 4 3 2 1

D

D

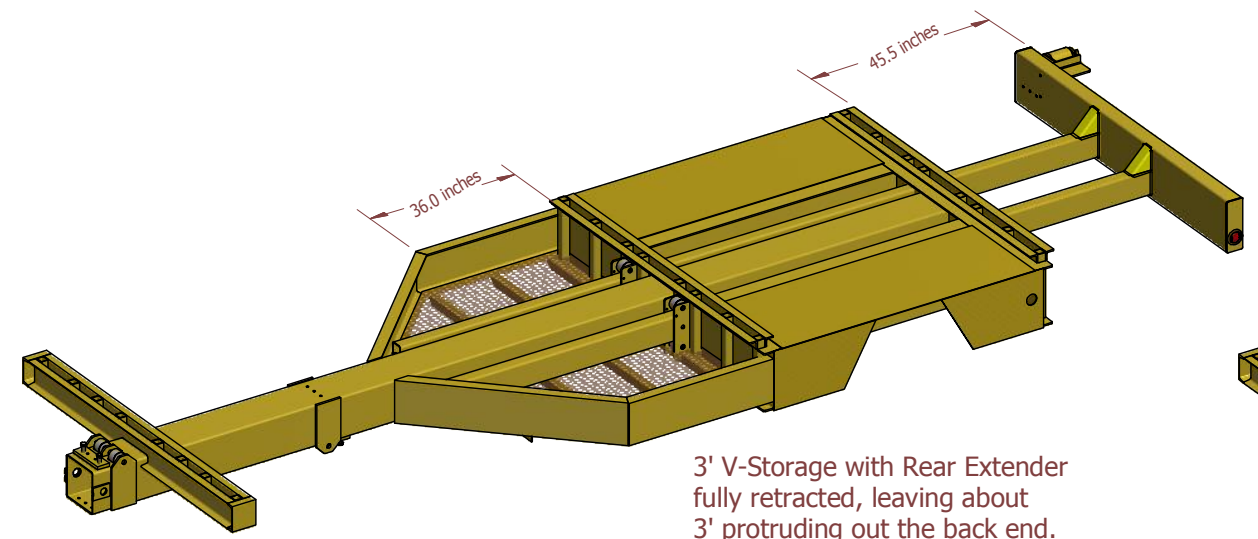

6' V-Storage with Rear Extender fully retracted.

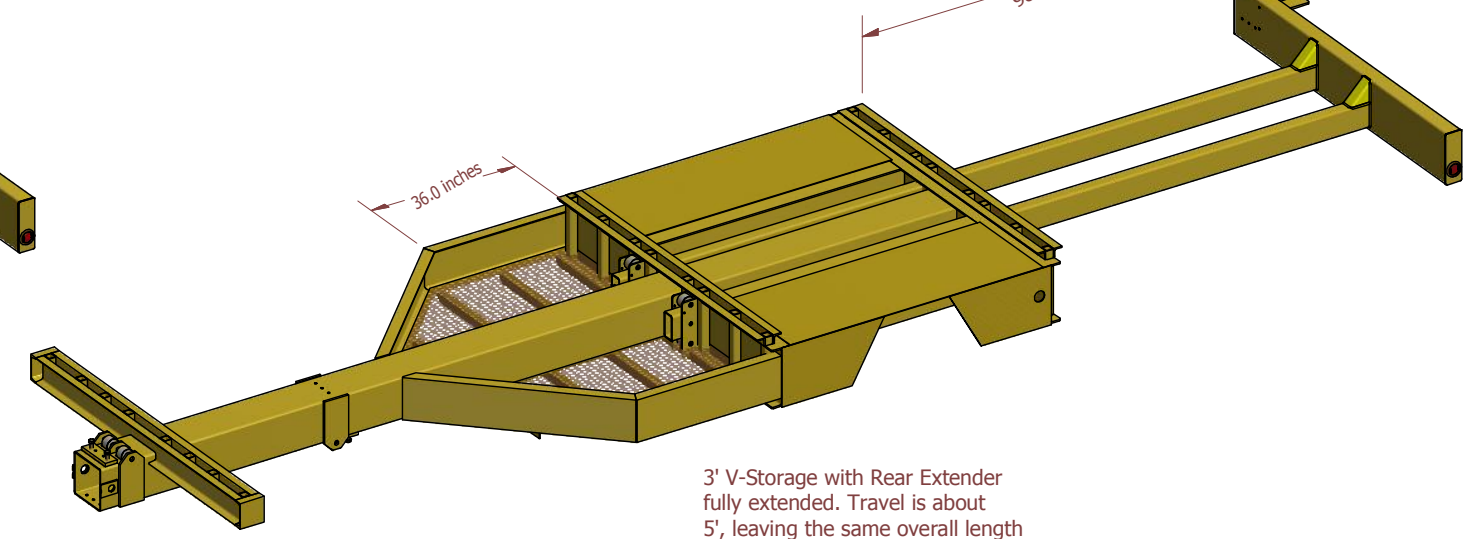

6' V-Storage with Rear Extender fully extended.

C

C

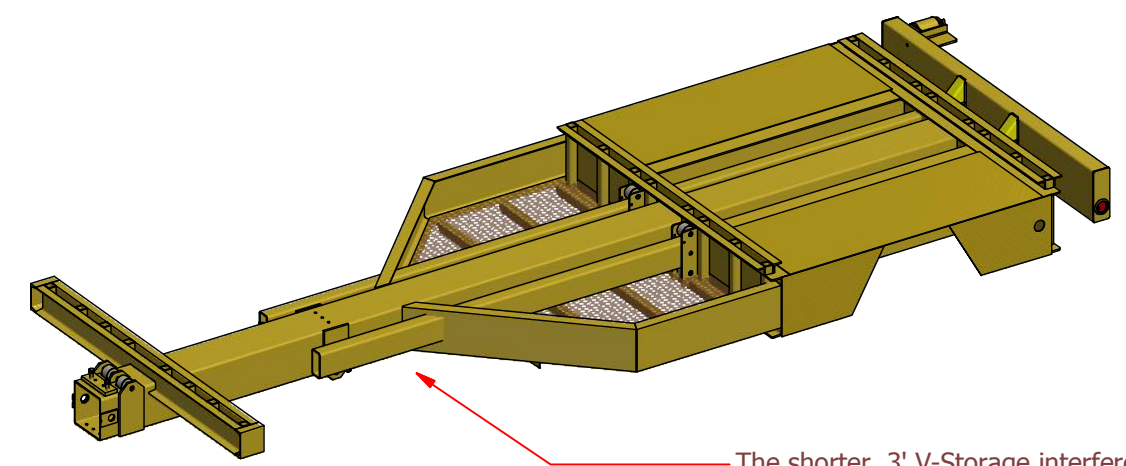

3' V-Storage with Rear Extender fully retracted, leaving about 3' protruding out the back end. Extender travels 5'.

3' V-Storage with Rear Extender fully extended. Travel is about 5', leaving the same overall length as the model with the 6' V-Storage.

B

B

The shorter, 3' V-Storage interferes with full retraction of the Rear Extender.
